

CLASS ATTIRE 2026-2027

It is important for dancers to arrive in the appropriate attire to facilitate effective learning and to maintain a professional environment that supports the growth and development of every student. **Hair MUST ALWAYS BE in a neat and secured bun for ALL classes, except for Hip Hop class (a tight ponytail is accepted).** Here's a [LINK](#) to a video demonstrating how to create a proper bun, catering to various hair lengths and textures. For boys and girls with short hair, hair should be neatly styled and off the face.

To ensure you have the appropriate uniform for class, we recommend purchasing it directly from the studio or consulting with our staff before buying from your local dancewear store.
